By enrolling in the Verzenio Savings Card Program ("Program") and using the Verzenio Savings Card ("Card"), you attest that you meet the eligibility criteria, and you agree to comply with the terms and conditions described below:

PUBLISHED 03/2024

#### Card Eligibility:

- (1.) You have been prescribed Verzenio<sup>®</sup> (abemaciclib) consistent with FDA approved product labeling
- (2.) You are enrolled in a commercial drug insurance plan
- (3.) You are not enrolled in any state, federal, or government funded healthcare program, including, without limitation, Medicaid, Medicare, Medicare Part D, Medicare Advantage, Medigap, DoD, VA, TRICARE®/CHAMPUS, or any state prescription drug assistance program.
- (4.) You are a resident of the United States or Puerto Rico
- (5.) You are 18 years of age or older

#### Card Terms and Conditions:

<u>For patients with commercial drug insurance coverage for Verzenio:</u> You must have commercial drug insurance that covers Verzenio and a prescription consistent with FDA-approved product labeling to pay as little as \$0 for a 1-month prescription fill of Verzenio. Month is defined as 28-days. Card savings are subject to a maximum monthly savings of wholesale acquisition cost plus usual and customary pharmacy charges and separate maximum annual savings of up to \$25,000 per calendar year. Participation in the Program requires a valid patient HIPAA authorization upon enrollment into the Program. Subject to Lilly USA, LLC's ("Lilly") right to terminate, rescind, revoke, or amend Card eligibility criteria and/or Card terms and conditions which may occur at Lilly's sole discretion, without notice, and for any reason, Card expires and savings end on 12/31/2024.

#### Additional Program Terms and Conditions

If you have an insurance plan that is participating in an alternate funding program ("AFP") (examples include, but are not limited to, ImpaxRX, Payer Matrix, SHARx, Script Sourcing, and Paydhealth) that requires you to apply to the Verzenio Savings Card Program or otherwise pursue specialty drug prescription coverage through an alternate funding vendor as a condition of, requirement for, or prerequisite to coverage of Verzenio, you are not eligible for and are prohibited from using the Verzenio Savings Card Program. AFPs include programs where coverage, reimbursement, or patient out of pocket costs for a product in some way vary based on the availability of a manufacturer co-pay program. AFPs may modify, delay, deny, restrict, or withhold insurance benefits or coverage from patients, or exclude Lilly products from coverage contingent upon a member's use of Verzenio Savings Card Program. You agree to inform the Verzenio Savings Card Program if you are or become a member of such an alternative funding program. If at any time you begin receiving drug coverage under any state, federal, or government funded healthcare program, you understand that you will no longer be eligible for the Verzenio Savings Card and agree to call Verzenio Continuous Care at 1-844-837-9364 to stop participation. You are responsible for any applicable taxes, fees, and any amount that exceeds the monthly or annual maximum Card savings. Monthly and annual maximum savings are set at Lilly's sole and absolute discretion and may be changed with or without notice at any time for any reason. At its sole discretion and with or without notice, Lilly may reduce, eliminate, or otherwise modify the Card savings for any reason, including but not limited to if your commercial drug insurance plan imposes additional requirements which limits or prevents you from receiving coverage for Verzenio, only allows partial coverage for Verzenio, removes coverage for Verzenio and requires you to utilize the Card, does not provide a material level of financial assistance for the cost of Verzenio, or does not apply Card payments to satisfy your co-payment, deductible, or coinsurance for Verzenio. Card savings are not valid for: Massachusetts residents if an AB-rated generic equivalent is available; California residents if an FDA-approved therapeutic equivalent is available. You must meet the Card eligibility criteria, terms and conditions every time you use the Card. Card activation is required. No party may seek reimbursement from your health insurance, any third party, or any health savings, flexible spending, or other healthcare reimbursement accounts, for any amount of the savings received through the Card. By utilizing the Card, you agree that if you are required to do so under the terms of your insurance coverage for this prescription or are otherwise required to do so by law, you will notify your Insurance Carrier of your redemption of the Card. Card savings cannot be combined or utilized with any other program, discount, discount card, cash discount card, coupon, incentive, or similar offer involving Verzenio. You agree that this Card savings is intended solely for the benefit of you, the patient, and that the Card benefits are nontransferable. It is prohibited for any person to sell, purchase, or trade; or to offer to sell, purchase, or trade, or to counterfeit the Card. The Card is not insurance. Lilly has the sole right to interpret and apply Card eligibility criteria, and terms and conditions. Card eligibility, and terms and conditions may be terminated, rescinded, revoked, or amended by Lilly at any time without notice and for any reason. Eligibility criteria, and terms and conditions for the Verzenio Savings Card Program may change from time to time; the most current version can be found at https://www.verzenio.com/savings-support. You may be required to obtain a new Card, including if any Card terms and conditions have been terminated, rescinded, revoked, or amended by Lilly. Card void where prohibited by law. Subject to Lilly's right to terminate, rescind, revoke or amend Card eligibility criteria and/or Card terms and conditions which may occur at Lilly's sole discretion, without notice, and for any reason, the Card expires and savings end on 12/31/2024.

Before Verzenio Continuous Care<sup>™</sup> can start helping you, Lilly may ask for some information about you and your health from your Health Care Entities (as defined below). This is known as your Protected Health Information, or PHI. By signing this form, you understand and agree that your PHI may be shared with or used by Lilly as explained below.

### PHI includes information like:

- Your health insurance or benefits, including how much coverage you have
- All records about your treatment
- Whether you're staying on your medicine or treatment

If you agree, your PHI may be shared by these entities (together "Health Care Entities"):

- Your doctors and other healthcare providers
- Your healthcare plan or health insurance company
- Clearinghouses or other agents
- Your pharmacy
- Others who might have your PHI on behalf of your health care providers, pharmacies and healthcare plans

### Your PHI is used in ways like these:

- To learn how much of your Lilly treatment is covered by your insurance
- To help you find other ways to afford your treatment
- To track your use of your Lilly treatment
- To share information with your healthcare provider
- To make sure that you receive high-quality services from the program
- To measure program performance and make program improvements
- Internal Lilly use of data to drive business decisions and metrics on hub performance
- Reports to our sales force regarding HCP use of hub services
- Conversations/messages to your HCP regarding trends and hub performance

### Other things you should know about sharing and using your PHI:

- We only ask for and share the PHI that we need to provide the benefits you want. We do not ask for any PHI that we do not need, but we may receive some in the health records sent to us. Your PHI will be released to Eli Lilly and Company and Lilly USA, LLC and its affiliates, agents, representatives, and service providers (together "Lilly").
- You don't have to give permission to share your PHI with Lilly to receive treatment from your healthcare providers, your prescription from your pharmacy, or benefits from your healthcare plan, but Verzenio Continuous Care™ may not be able to help you without it
- After your PHI has been shared, it may no longer be covered by federal and state privacy laws (such as HIPAA), and it may be shared again with others by Lilly
- Your signed permission to share and use your PHI lasts for 3 years from the date of your signature unless you are a resident of Maryland, Maine, or Montana, in which case the permission will last for 1 year from the date of your signature. In either case, you may revoke your permission before then by writing to PO Box 501847, Rancho Bernardo, CA 92150, which will preclude reliance on the authorization after the date your written revocation is received
- Your healthcare providers (such as pharmacies) may be paid by us in exchange for sharing your PHI. They may also be paid by us to use your PHI to provide services, such as contacting you about Lilly products
- You can stop sharing your PHI with us or change what you share by calling us at 1-844-VERZENIO (1-844-837-9364) or by writing us at PO Box 501847, Rancho Bernardo, CA 92150
- Your cancellation or revocation of this Authorization will be effective when your Health Care Entities receive notice of your cancellation or revocation, and will not apply to any information shared with Lilly by your Health Care Entities prior to the time those Health Care Entities receive notice
